

**PRAYERS** We give thanks that the numbers of Covid-19 infections are falling for the moment and we pray that people will continue to adhere to the guidelines and rules currently imposed for our safety. We pray for leaders around the world faced with making important decisions about how to safely bring countries out of lockdowns, together with scientists working tirelessly to produce a vaccine. We remember our schools who are about to break up for the summer holidays and give thanks for the school staff who have worked tirelessly to continue educating as many children as possible. We hope they have an enjoyable and refreshing break.

We pray for those who are unwell including **Graham Webster, Nick Ward, Jennifer Morshead, Eileen Steeden, Anne, Sally Calvert, Nicky, Sandy, Ron Backhouse, Douglas James, Win, Betty, Clare, Finlay Relf** and all who are still very vulnerable and continuing to shield.

We remember our friend Gillian Ashwood with great affection and give thanks for all she did for our church choir and the joy of

music that she shared with so many people. We remember John and his family as they mourn her loss and pray that they may know Christ's healing presence at this time.

**Please note: Both churches will be closed during the week** Please note that both Capel and Ockley churches will be closed for private prayer during the week from Monday 20<sup>th</sup> July. The works will continue until September. The churches will be open at the weekends for services. The building works taking place in both churches are an exciting new chapter – new lighting for Capel and a new boiler at Ockley which will hopefully keep parishioners much warmer when visiting St Margaret's in winter months!

**Thank** you to Norman and Chris Rumbold for all their hard work in the churchyard which looks a lot tidier!  
**Ansell & Sons** are looking for young people 16years + who would like work experience in building and restoration work. Contact David on 01306 713662 in the first instance.
