

PRAYERS We give thanks for the successful completion of the installation of our new lighting system in Capel church and the ongoing heating works in Ockley church. We give thanks for the skill of the workers carrying out these jobs for us and look forward to worshipping once more in both churches. We pray for our community and society in general as new restrictions are introduced from Monday to try and stem the spread of Coronavirus once more.

We remember all who are unwell in body or spirit and those who request our prayers including **Ron Backhouse** who is in Epsom hospital following a slight stroke, **Graham Webster, Nick Ward, Jennifer Morshead, Eileen Steeden, Sally Calvert, Nicky, Sandy, Douglas James, Win, Betty, Clare, Finlay Relf, Mary Clarke** and all who are still very vulnerable and continuing to shield, including Zofia Golebiowska.

Great News! Lighting complete in St John the Baptist, Capel We are delighted to report that the lighting works are now complete and that the church will now be open every day for private prayer and services.

St Margaret's, Ockley The heating project is coming along well and the new pew heaters look very good and extra radiators have been placed so we will be lovely and warm this winter! There is also a heater above the church door so as we enter we will receive a lovely blast of warm air. We thank Peter Bennett for his expertise as he has project managed this vital job for us and for those who have helped finance it. Services should resume there later this month.

New Covid-19 rules With the new '6' guideline we are having to look at bible study groups meeting if more than 6 meet. Pray that we will be guided as we meet as a PCC on Monday evening.

Service of Holy Communion at St John the Baptist Capel

Please would everyone follow the guidelines below:-

1. Only 2 people to sit in each pew that is open (or one household and if room a single person). Every other pew will be cordoned off.
2. Hand sanitiser which will be by the door to be used when you enter and leave.
3. Masks should be worn in church (unless exempt), where there may be other people present; remembering that they are mainly intended to protect other people, not the wearer, from coronavirus COVID-19 and that they are not a replacement for physical distancing and regular hand washing.
4. For the moment no refreshments will be served but do feel free to bring a water bottle with you.
5. It is asked that you do not spend too long in the church building after the service as it has to be cleaned and sanitised.
6. At Capel the toilet will be open and disinfectant available for you to wipe all surfaces after it has been used.
7. Unfortunately, we cannot sing hymns but there will be music from our organists, choir, musicians and some recorded music as appropriate
8. The services will be on a sheet given to you when you enter the church along with the weekly sheet, please take these home with you.
9. No collection will be taken but donations can be left on the plate. OR for those who have a smart phone, an alternative way to give is to download the Givt app and use that to donate instead of cash. *Any queries on Givt - please speak to Dineke, Debbie or Helen.* Thank you.
