Guidelines for Parish Sunday Services.

We are following a more basic pattern of services at the current time and we would request that you note the following guidelines below so that we fulfil government guidelines for your safety:-

1. Only 2 people to sit in each pew that is open (or one household and room for a single person) Every other pew will be cordoned off
2. Hand sanitiser which will be by the door to be used when you enter and leave. Masks must be worn unless you have an exemption.
3. No refreshments are currently served but do feel free to bring a water bottle with you.
4. We are advised to ask you not to spend too long in the church building after the service as it has to be cleaned and sanitised.
5. At Capel the toilet will be open and disinfectant available for you to wipe all surfaces after usage.
6. We cannot sing as a congregation but there is supporting music as appropriate.
7. The service will be printed on a sheet given to you as you enter the church along with the weekly newsheet. Please take both home with you.
8. No collection will be taken but we ask that you leave your donation on the plate.
9. Holy Communion is given in one kind (wafer) and all necessary hygiene precautions are taken.

Please also note that St John's is open during the week and at weekends but St Margaret's is only open at weekends. For all the latest information and updates please visit our parish website
