

## PRAYERS

We pray that Debbie and her family will have had a good break in Devon. Please note that Liz will be away Saturday 31st July to Wednesday 3rd August inclusive. We pray for all those living in poverty here in the UK and beyond. We also pray for those suffering racial and other abuse and that those perpetrating the abuse see that all humans should be treated with respect and help them find the support they need. We pray for all those throughout the world who are suffering from Coronavirus, both short and long. Dear Lord, please be with them in their time of need; let them feel your love and help all those that work so tirelessly to care for them. May all countries have access to the much needed vaccine. We thank the scientists for their contribution to our welfare. In this country we ask that people respect and protect all those around them by continuing to wear masks and observe social distancing whenever in a crowded or enclosed place, even if it will no longer be obligatory. We pray for the PCC who meet next Monday, 26<sup>th</sup>, when they discuss our ongoing restrictions and other matters. Heavenly Father, we lift up all those who are facing illness today. Give them the hope and courage they need today and every day. Comfort their pain, calm their fears, and surround them with Your peace. We particularly pray for **Nick Ward, Jennifer Morshead, Eileen, Sally Calvert, Nicky, Sandy, Beryl, Win, Clare, Elizabeth, Finley Relf, Julz, John Dendy, Paul Tucker, Peter Fairbrother, Spencer Thorpe, Claire Boothby, Bob Cranham, Margaret Dale, Tony Smith, Alison, Victor Steeden, Simon and Alan Tottman.**

We pray for the families of those who have recently passed away, particularly, **Bernie Osborne, Douglas James and David Howard.** Dear Lord, draw near to all those who are facing times of sadness or loss, embrace them with your love, and bring them solace. We pray for all those suffering disasters such as floods and the huge wildfires. We pray for them, for those supporting them, but also that we and our politicians make urgent lifestyle changes to reverse the trends in climate change and mass extinctions.
