

Prayers

We thank you creator God for the abundance of nature. For the lovely weather we have had and the much-needed rain recently. We pray for countries that face extreme heat and flooding in all corners of the world. Grant that people cope and help each other where needed and that governments acknowledge the need for reducing the populations' carbon footprint and share the burden of climate change.

Gracious God strengthen and heal through the power of the Holy Spirit the sick and suffering. We particularly pray for Jennifer, Sally, Nicky, Simon, Eddie, Gia, Charlie, Mark, Betty, Peter, Tessa, Judy, Doreen, Dan, Bill, Claire and Sandy.

Capel Show: 19 August

The Capel show is edging closer and here are some things you may not know. Half of the profit of the show goes to the upkeep of St John the Baptist church, which is a grade II listed building. The PCC has been granted a food stall on the day and all profits of that stall will be for the PCC to spend as they see fit. Please offer your help on the day when the list comes round. We expect a total of 5,500 people on the day so plenty of scope to sell our wares.

More than 500 classic cars have already registered and most of the entrants have opted to offset their carbon footprint for their journey to our lovely show.

Events calendar

Due to a technical problem the events calendar on the PCC website is not working at the moment. The web administrator apologises for not being able to start sorting it out until after the Capel Show.

Summer fundraising

As reported last week the tea & cake stall at the military show was a great success. All the effort has paid off as the funds raised for the PCC exceed 7K!

Café church in August

We are very excited to report that Café church will be held in the Marquee on Okewood Hill showground next month. More news to follow soon.
