

Prayers

We thank you creator God for the abundance of nature. We pray for the countries that are plagued by out-of-control fires that destroy livelihoods and ecosystems. Grant that we, now climate change is starting to affect us in the western world, don't forget how poorer countries have suffered for many years already and still need our support.

Gracious God strengthen and heal through the power of the Holy Spirit the sick and suffering. We particularly pray for Jennifer, Sally, Nicky, Simon, Eddie, Gia, Charlie, Mark, Betty, Peter, Tessa, Judy, Doreen, Dan, Claire and Sandy.

We pray for the family and friends of Bill Worsfold, who died last week.

New Bishop

We have just received the news that the Venerable Paul Davies has been named as the new Bishop of Dorking. He is currently Archdeacon of Surrey and Rev Liz considers his appointment an inspired choice.

Carbon Net Zero

Some of you may know that the church of England has pledged to work to this goal by 2030. Individual churches have to look at their Carbon footprint and seek to reduce it. Both our churches have new lighting systems that are very energy efficient and we are looking into buying in 'green' energy.

Rev Liz is looking into celebrating the season of Creation this year and we are looking into keeping the information boards in our churches more current with information on climate change and how that is relevant to our churches.

LOAF stall

Due to a mistake there was no announcement of the LOAF stall in last week's notes for the stall in Ockley. Many people showed an interest though and you all have another opportunity this week as we hope to have the stall at each Parish service. Please let me know if there is anything in particular you would like me to buy in. I will do my best to get it for you, Dineke
