

Prayers

We are today reminded though the observation of All Saints the many wonderful saints who through their lives have shown us the way to live and the love of God. We remember then those who are the everyday saints who pursue goodness and righteousness in their daily lives. We pray especially for those who have found themselves caught up on the battlefield that is Gaza and give thanks that some have been able to leave. We continue to pray for those innocent civilians who do not have that option. Lord, have mercy on all those and we pray that the Israeli hostages will be freed. We pray for peace in your Holy Land and for the the many who have lost their lives and for those who are left bereaved. Gracious God strengthen and heal through the power of the Holy Spirit all who are sick and suffer today. In our own community we pray for Jennifer, Sally, Nicky, Simon, Eddie, Mark, Betty, Peter, Tessa, Judy, Doreen, Dan, Claire, Sandy, Sharon, Nick, Bill, Charlie, and Mike including all those who have asked for prayers on our prayer board. We pray for those who are bereaved and remember before you your servant Paul Bryer, praying for Fiona and their family. We pray too for the family and friends of James Brant who died recently. We give you thanks for the whole company of your saints in glory, with whom in fellowship we join our prayers and praises; by your grace may we, like them, be made perfect in your love.

Prayer Resources are available now in both our churches so that we can pray for the situation in Israel, Gaza and the surrounding area of the Middle East.
