

Today we hear a familiar parable, in which Jesus teaches us who our neighbours are and what loving them as ourselves might mean. Let us give thanks for God's everlasting love, compassion and mercy, especially when we are in distress or danger. We pray today for those who are burdened in their care for others, for our brothers and sister in Christ, especially those who suffer because of their faith. We pray for the divided nations in this world. May their leaders and their people reach out to their neighbours and seek peace and reconciliation. We pray for our neighbours and for ourselves. May we be sensitive to the needs of others and ready to respond with love to their suffering. We pray for those who are ill or in distress and for those who care for them. May they know the loving presence of Christ in their hearts. We pray especially for Jennifer, Tessa, Philomena, Nicky, Nick, George, Sally, Doreen, Joy, Shirley, Dianne and Hannah. Loving God, we commend to you those who have served your Son here on earth and now celebrate his victory with him in heaven and we pray for those most recently bereaved - the family and friends of Eric Sutcliffe.

#### Eric

The family would like to express their heartfelt thanks to everyone for the kind word, cards and messages of support following the loss of their beloved Eric. Your thoughtfulness and generosity have been a great comfort to them during this difficult time. They are also deeply grateful for the wonderful gifts given in memory of Eric, and for the many delicious cakes and savouries so kindly provided by friends for everyone to share afterwards. Please know how much the family value and appreciate each and everyone of you. With sincere thanks on behalf of Jessie and the family.

#### Thankyou

To everyone who helped us achieve a profit of approximately £8000 after taking out expenses and donations at last weekends Capel Military Show. A huge thank you to Norman, Leigh, and Helen for organising the refreshment stand and to all who baked such wonderful cakes and who worked non stop throughout the weekend, serving, cutting cakes, keeping the hot water going, making drinks and washing up!! It is a truly well organised operation and a wonderful team effort. **THANK YOU ALL!!**
