

In worship we praise God, the maker and inspirer of all creation. Let us offer prayers for personal and global needs while also opening ourselves to listen attentively and joyfully to God's words calling us to live faithfully. Where leaders and nations are engaged in conflict, we pray for a permanent cessation of hostilities leading to a lasting, just and healing peace. We pray on behalf of all who are suffering in situations of war, thinking of the recent massacre at a hospital in Suweida city, at the seemingly endless deaths of civilians, especially children at food aid sites in Gaza and for the horror of people being killed there as they seek the essentials for survival. May there be justice for earths suffering and starving peoples. Faithful God, hear our prayer. We pray for all in our community who are suffering in body or mind asking that you would surround them with your peace. We name before you today Jennifer, Tessa, Philomena, Nicky, Nick, George, Sally, Doreen, Joy, Shirley, Dianne, Hannah and Margaret. We name before you also our own loved ones who are no longer with us but have entered your eternal rest. We pray for all who mourn their loss especially Jessie and family and Shirley and family.
