

We can underestimate the difference we can make to those around us, our Church, our own communities, to our own lives. Challenging readings today but ones which hopefully encourage us to bear fruit in our lives to further God's Kingdom.

We pray for those who feel their lives are not as productive as they would like. May God revive them, show them how to use their talents and fill their days with purpose.

We pray for our world leaders. May God guide them in creating societies and communities in which all members are able to fulfil their God given potential.

We pray for anyone experiencing illness, suffering or grief. May they know the comfort and consolation of the Holy Spirit and feel the love of God surrounding and holding them. We name before you: Tessa, Nicky, Nick, George, Sally, Joy, Margaret, Chris, Paul, Peter, Hannah, Megan, Richard, Carol, Eddie, Chris, Joanne, Margaret, Will, Adam, Noah, Chris, Jackie and Katya.

We remember those who have died, especially the family and friends of Gwyneth Drummond, Iris Quilter, Roger Wells and also the family and friends of Andrew who died earlier this year.

We pray for our church family here in Capel and Ockley. May we shine the love of God lighting the darkness, acting as a beacon to guide and inspire others.

Thank you to the Murder Mystery cast and team - another outstanding weekend of dramatic fun brought to you by our wonderful cast and supportive team. Thank you Sylvie for directing, Yvonne for assisting, Viv for stage management, Alan for sound and lighting, Helen, Gill and Shirley for Ockley catering, David and Helen for Capel Saturday evening catering, Vicky @ the vicar's kitchen for our wonderful afternoon tea performance on Sunday as well as all the cooks, dishwashers, front of house, raffle prizes and all of you for supporting this fundraising venture. I think we may clear £2000 but tbc!

Newsheet Editor needed

Do you appreciate the weekly newsheet? The sheet has the readings on one side and space for notices on the other. It can be very simple going forward and an important part of our communication as a parish. Please can you help with this, perhaps several could team together to share the load?
